

Ancient Greece

Osprey Class
Spring 1

Wootton-by-Woodstock

Wootton-by-Woodstock

Maths

As mathematicians Year 3 and 4 will be learning about multiplication and division, money and statistics. Year 5 and 6 will be learning about fractions, decimals and percentages.

English

In English we will be learning and creating our own newspaper reports. We will also be learning how to write persuasively.

Computing

In computing we will be presenting information using Google slides.

Science – Sound

As scientists we will be: exploring how sounds are made; how vibrations from sounds travel through a medium to the ear; exploring ways how to change the pitch of sound and recognizing that sounds get fainter as the distance from the sound source increases.

Music

As musicians we will be investigating musical notation and composing rhythms.

Religious Education

In RE, we will be reading various Sikh stories and understanding their relevance to both Sikhs and non-Sikhs.

French

As linguists we will be investigating French towns and cities and learning the names of the different amenities. We will then compare them to our own local area.

Design and Technology

In DT we will be designing, making and evaluating musical instruments.

Enrichment Mile Run

Physical Education

PE this term will have a focus on hockey and we will have swimming lessons.

History

As historians we will be studying Ancient Greece. We will: investigate the Trojan War through looking at some primary and secondary sources; understanding the similarities and differences between the Olympic Games then and now and understanding the legacy of Ancient Greeks.

PSHCE

We will be learning how to stay safe on line.
