Vision statement

At Wootton by Woodstock CE Primary School we are a happy and welcoming school community where we teach and learn through our Christian values of friendship, kindness and respect. We aim to be the best we can for ourselves and the good of others. Our Christian values form a key part of our positive behaviour policy, these are:

Friendship: We offer friendship to everyone in our school and wider community, ensuring that everyone is valued and included.

Respect: We recognise and respect the feelings of others and demonstrate good manners and polite, thoughtful behaviours to all.

Kindness: We will show kindness by loving others as ourselves, making a difference to our community and the world around us through our words and actions.

Our vision and values are an integral part of who we are and can be seen in all that we do.

We link our work on values to Thessalonians 5:11 *“Encourage each other up and build each other up.”*

1. Statement

The School believes that all its pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra-curricular) independent of their parents' financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

2. 1996 Education Act

The 1996 Education Act requires all schools to have a policy on charging and remissions for school activities, which will be kept under regular review. The review date for this policy is recorded at the end of the document.

The policy identifies activities for which: •

- Voluntary contributions may be requested
- Charges will not be made.
- Charges will be made
- Charges may be waived

Voluntary contributions

Separately from the matter of charging, schools may always seek voluntary contributions in order to offer a wide variety of experiences to pupils. All requests for voluntary contributions will emphasise their voluntary nature and the fact that pupils of parents who do not make such contributions will be treated no differently from those who have.

The Law says:

- If the activity cannot be funded without voluntary contributions the parents will be notified of this from the outset.
- No child will be excluded from an activity because parents are unable to pay.
- If insufficient contributions are raised, the trip or activity may have to be cancelled.
- If a parent is unwilling or unable to pay their child will be given an equal chance to go on the visit.

3. Activities for which Charges will not be made

- a) An admission application
- b) Education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- c) Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of the school's basic curriculum for religious education;
- d) Tuition for pupils learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- e) Entry for a prescribed public examination, if the pupil has been prepared for it at the school*;
- f) Examination re-sit(s)* if the pupil is being prepared for the re-sit(s) at the school;
- g) Education provided on any trip that takes place during school hours (see 4a);
- h) Education provided on any trip that takes place outside school hours (see 4a)
 - if it is part of the National Curriculum, or
 - part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or c. part of the school's basic curriculum for religious education;
- i) Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip;
- j) Transport provided in connection with an educational visit

*If a pupil fails, without good reason, to meet any examination requirement for a syllabus a charge may / will be made.

4. Activities for which Charges may be made

a. Activities outside school hours

Residential and non-residential activities (other than those listed in Section 3 above) which take place outside school hours, but only if the majority of the time spent on that activity takes place outside school hours (time spent on travel counts in this calculation if the travel itself occurs during school hours). (See Section 9)

b. Residential visits during school hours

The board and lodging costs (but only those costs) of residential trips deemed to take place during school time, However, pupils whose parents are in receipt of certain benefits (see remissions policy below) will be exempt from paying the cost of board and lodging.

c. Music tuition

Music tuition for individuals or appropriate sized groups of pupils to play a musical instrument or to sing and which is not an essential part of either the National Curriculum or a public examination syllabus for all pupils.

When any trip is arranged parents will be notified of the policy for allocating places. This should recognize that parents may not be able to pay quickly and may have to budget for the trip over a reasonable period of time.

5. Optional Extras

Is a residential trip in or out of school time?

If the number of school sessions on a residential trip is equal to or greater than 50% of the number of half days spent on the trip it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into 2 sessions. A “half day” means any period of 12 hours ending with noon or midnight on any day.

Charges may be made for optional activities that are known as ‘Optional Extras’. Any charges made will not exceed the actual cost (per pupil) of provision.

It is the policy of the School that charges will (or may) be made as indicated below. Parental agreement will be obtained before a charge is made.

Activity or thing which will or may be charged for	Notes	Remitted or help available
Charges will/may be made for any materials, books, instruments, or equipment, where a parent wishes their child to own them.	Example: A Clay model – a charge to cover the cost of the clay	
Charges will/may be made for music tuition	The cost, or a proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument or singing, where the tuition is an optional extra for an individual pupil or groups of up to four pupils	
Charges will be made for the board and lodging component of residential trips	The charge will not exceed the actual cost	Remission for Category A (see below)
Charges will be made for breakfast or after school club		

6. Remissions

In order to remove financial barriers from disadvantaged pupils, the governing body has agreed that some activities and visits where charges can legally be made will be offered at a reduced charge to

parents in particular circumstances. This remissions policy sets out the circumstances in which charges will be waived.

7. Families Qualifying for Remission or Help with Charges

8. Is a School Visit in or out of School Time?

- When any visit is arranged, parents will be notified of the policy for allocating places.
- If the number of school sessions on a school visit is equal to or greater than 50% of the number of half days spent on the visit it is deemed to have taken place during school hours (even if some activities take place late in the evening).
- Whatever the starting and finishing times of the school day, regulations require that the school day is divided into 2 sessions. A "half day" means any period of 12 hours ending with noon or midnight on any day.

9. Additional Considerations

The governing body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- Where possible we shall publish a list of visits (and their approximate cost) at the beginning of the school year so that parents can plan ahead
- We have established a system for parents to pay in instalments
- When an opportunity for a trip arises at short notice it will be possible to arrange to pay by instalments beyond the date of the trip
- We acknowledge that offering opportunities on a 'first pay, first served' basis discriminates against pupils from families on lower incomes and we will avoid that method of selection wherever possible.
