

Dear Parents

We were fortunate this week to have Osprey class lead collective worship on the theme of 'Respect' they shared some excellent ideas and thoughts and acted out a story about how important it is to show respect for each other. Well done Osprey class.

Can I ask parents to continue to remain vigilant for signs and symptoms of COVID-19. If your child has any of the three symptoms: high temperature, a new continuous cough or change to sense of smell or taste, please take your child for a PCR test. Regular LFT testing is also helpful for identifying asymptomatic cases.

Osprey Class News

This term Osprey class are learning about sound in our Science sessions. To start our topic, we completed four investigations discovering how sound is made. We put rice on a drum and saw how the grains vibrated when we tapped it. We blew up balloons and saw how the top vibrated when we let the air out. We twanged a ruler and discovered how the vibrations made a sound – we also looked at pitch. Finally, we tapped two spoons underwater and saw how the water moved with the vibrations.

School Lunches

Please be aware that hot lunch service will resume on Wednesday 9th February, if your child has booked a hot school meal via SchoolMoney they will receive a packed lunch provided by school, this costs the same as a hot school meal. This is unless you have already informed us that you will provide a packed lunch for them whilst hot meals are not available.

The packed lunch will be a choice of ham or cheese roll, crudités, yoghurt, cake or biscuit. We will confirm with the children each morning whether they would like ham or cheese as their filling.

If you have booked a hot meal for Monday 7th February and would prefer to send your child with a packed lunch from home, please could you let the school office know by email, office.3657@wootton-woodstock.oxon.sch.uk, and we will ensure that you are not charged for this meal.

Ash Class News

On Thursday Ash Class took part in a workshop on toys and life in the past delivered by Banbury Museum. This wonderful workshop introduced the children to chronology and life in the past through familiar themes and allowed them to compare and contrast their life now with that of the past.

The children had a chance to play with real and replica toys from the 1800s to the present day and had a go at playing popular childhood games from the past. They dressed-up in Victorian clothes, the girls in long dresses and aprons, the boys in waistcoats, jackets and caps.

Then everyone put their hands to hard work, washing and ironing clothes, using a dolly peg and a washing tub, a mangle and finally a very heavy iron. What a busy morning!

The children had a fantastic time and thoroughly enjoyed this experience.

Achievements and Certificates

Congratulations to the children receiving the following awards:

VALUES	ASH	OSPREY
21st Jan 2022	Friendship—Sophia	Respect—Harry
28th Jan 2022	Kindness—Aria	Kindness— Zach L
		Special Achievement—Isabella

READING RAINBOW	ASH	OSPREY
Orange		Naum, Mckenzie
Yellow	Max, Hugo	Lillian, Zakk

Indigo	Joseph	Zachery

TIMES TABLES ROCKSTARS	1st	2nd	3rd
21st Jan 2022			
Most improved speed	Lillian	Rufta	Hannah
Highest number of coins earned	James	Noah	Holly
28th Jan 2022			
Most improved speed	Naum	Lillian	Rufta
Highest number of coins earned	James	Zach L	Holly

School Trip to Science Oxford Centre

We are looking forward to our trip to the Science Oxford Centre for the whole school on Friday 11th February, please remember children need to wear school uniform, have a packed lunch from home with refillable water bottle, a waterproof coat and Ash children will need a pair of wellies as well as a plastic bag to store and transport them in.

We are very grateful to FOWS for their significant donation to the school for this trip. We are asking for a contribution of £6.00 per child to cover the cost of entrance. Please complete your consent confirmation and contribution via SchoolMoney, all payments for the trip need to be completed by Friday 4th February.
