

## Bronze Age and Iron Age

Osprey Class  
Summer 1

### Maths

As mathematicians Year 3 and 4 will be learning about decimals, position and direction, mass and capacity and time. Year 5 and 6 will be learning about algebra, position and direction and, perimeter, area and volume and ratio.

### English

In English we will be exploring explanation texts and writing some based on our Science topic. Year 3-5 will also be exploring the book Tuesday by David Wiesner

### Science

As Scientists we will be investigating materials and their properties – including looking at thermal conductors and insulators, electrical conductors and insulators and dissolving.

### Music

As musicians we will be learning to read and create our own graphic scores.

### Religious Education

In RE, we will be learning about beliefs in Karma, Samsara and Moksha. How do these help Hindu's live good lives?

### French

As linguists we will be learning/revising numbers up to 31 and the months of the year in order to say when our birthday is.

### Art and Design

In art and design we will be looking at the work and techniques of the artist David Hockney. We will be focusing on his landscapes and painting our own using inspiration from the local area.

### Enrichment

Revd Stephen Retirement Service  
Gangsta Granny Theatre Visit

### Physical Education

PE this term will have a focus on cricket and we will have a twice weekly mile run.

### History

As historians we will be answering the historical enquiry – How did Britain change from the Stone Age to the Iron Age. We will be exploring changes in the Bronze Age and Iron Age and investigating the evidence Stonehenge gives us about the past.

### PSHCE

We will be learning about positive thinking, mindfulness and random acts of kindness.
