

Dear Parents

Welcome back to School after the half term break. This term we have got many exciting opportunities for the children. Last week members of Osprey Class represented the school in the Quad Kids Competition at the Marlborough and next Wednesday the whole school will have some cricket coaching from Chance to Shine.

Both Osprey and Ash class are studying the rainforests this term and they are looking forward to enhancing their learning with a visit to the Living Rainforest at the end of term.

As we are currently going through a very warm weather spell, please can all children have sun cream applied before school, bring and wear a hat and have a refillable water bottle.

Osprey Class News—Quad Kids

Eleven members of Osprey Class competed at the Quad Kids competition at the Marlborough School last week. They all had to complete a sprint, long distance run, vortex throw and standing long jump. They all tried their very best and showed excellent team skills. We were delighted that the school came 2nd overall in the competition, against other schools in the area.

Ash Class News

Last week Ash class has been exploring special journeys. The children have shared memories of their special journeys and discussed their feelings associated with their experiences. We then moved on to learning about Hajj, a pilgrimage to Mecca, and discussed the importance of this journey to Muslims. We have set off on our own Hajj around the playground, taking with us important Muslim artefacts.

Ash Class have had fun this week thinking about our brilliant bodies and how we look after them. All children enjoyed playing games to learn the correct names for different parts of the body.

We also thought hard about how we should look after our bodies to keep them healthy.

“You need to get lots of sleep in your bed” Hugo

“You need to eat fruit and vegetables. 5 a day to get vitamins to help your body grow” Joseph

“Dancing is a good way to get fit and help your muscles stay strong” Aria

“Playing with friends is important because it makes you happy” Annabel

I like cars, steam trains.

I like trucks, tractors and planes.

I like whales, kangaroos.

Emperor Penguins and cockatoos.

I like coral reefs, water parks,
very hot deserts and
famous landmarks.

I like Daddy and Mummy,
dogs, puppies that are furry.

These are the things that make
up me.

This is who I like to be.

We have also been listening to and performing poetry. Some of us even had a go at writing our own poems. Here is a fantastic rhyming poem ‘I Like’ written by Joseph. We hope you will like it as much as we do.
